Mission Statement

The mission of Democracy Prep is to educate responsible citizen scholars for success in the college of their choice and a life of active citizenship.

Principal's Highlights

Opened in August 2017, Democracy Prep at the Agassi Campus (DPAC) is a K-12 public charter school that prepares nearly 1,100 students to succeed in college and life. Over the first three years, our High school has grown academically & culturally.

1. 100% of DPAC High seniors were accepted into a minimum of two four-year universities.
2. DPAC HS saw a 12.4% increase in its composite ACT score from 15.3 in 2019 to 17.2 in 2020.
3. 100% of DPAC HS scholars from the class of 2020 graduated, with one gaining acceptance into a US News & World Report top 5 school.
4. DPAC HS seniors earned more than \$300K in scholarship dollars.

Goals and Objectives

Goal 1

1. Improve ACT composite score by 5%.
2. Reduce suspensions by 10%.
3. 60% of scholars will indicate "I am proud to say I am a DPAC scholar".

School Communication Efforts

DPAC provides regular two-way and meaningful communication with parents, family, and the community by regularly publishing notices to our families and scholars through email and text messages. Monthly community updates are sent to an email subscription list as well as a variety of social media posts. Board meeting notices are published and include open invitations for parents, family, and community members to attend. Contact information for school leaders and teachers are published on the school website.

Curriculum Details

Democracy Prep's academic program is rooted in research-proven curricula that have been shown to accelerate progress to mastery for low-income students, including those with disabilities and English language deficits. Our curriculum is based on an accelerated introduction to state standards. The core academic program provides more time, and frequent evaluations ensure that teachers and families know exactly where each student stands and what each student needs to do to make progress. Democracy Prep has built consistent instructional systems to ensure that all teachers have the tools to increase student achievement. The curriculum and academic program at DPAC is built on the success and best practices of the highest-performing schools nationwide. Democracy Prep's strong curricular focus on skill mastery is delivered in a manner that maximizes time on task across an extended school day and school year. Structured, highly organized learning environments are reinforced by consistent practices that promote continuity and predictability across all classrooms.
